# Keynote Speaker

## Anne McKenzie AM - Telethon Kids Institute

Anne joined the Telethon Kids Institute in 2004 as a consumer advocate, where she developed and implemented an internationally recognised joint program with the University of Western Australia's School of Population Health to increase consumer and community involvement in health research. She is a founding head of the WA Consumer and Community Health Research Network and implemented a state-wide consumer and community involvement program across the WA Health Translation Network's partner organisations. Anne currently serves on several key state and national health committees, including the National Health and Medical Research Council, National Prescribing Service (Department of Health), Medicines Australia, Silver Chain, and WA Health. In January 2015, Anne was appointed as a Member of the Order of Australia for significant service to community health through consumer advocacy roles and strategic policy research and development.
